

The floor plan illustrates a symmetrical two-story residential building. The central core contains a staircase and a small utility area labeled 'botola'. The wings on either side are identical, each featuring a bedroom (359), a bathroom (278), a kitchen (257), and a living area (250). The plan includes numerous dimensions for room sizes and corridor widths, such as 359, 278, 257, 250, 138, 12, 229, 15, 0.80, 2.10, 139, 172, 140, 135, 310, 90, 99, 12, 95, 12, 180, 80, 329, 422, 60, 220, 210, and 250. Green hatched areas are used to highlight specific architectural details or materials throughout the plan.
